DEDICATION

MISS ELIZABETH GRAHAM

To Miss Elizabeth E. Graham, patron of arts, journalist, educator, and above all, a friend of the student, we dedicate the 1953 CAPITOLINE. To an individualist not afraid to move differently from the crowd, to one who has taken an active interest in educational legislation, newspaper work, and teaching, but most of all to a thoughtful and encouraging woman, calming senior fears about English, giving advice to future news reporters, and tossing hints to future college students—to Miss Graham the class of '53 pays tribute.

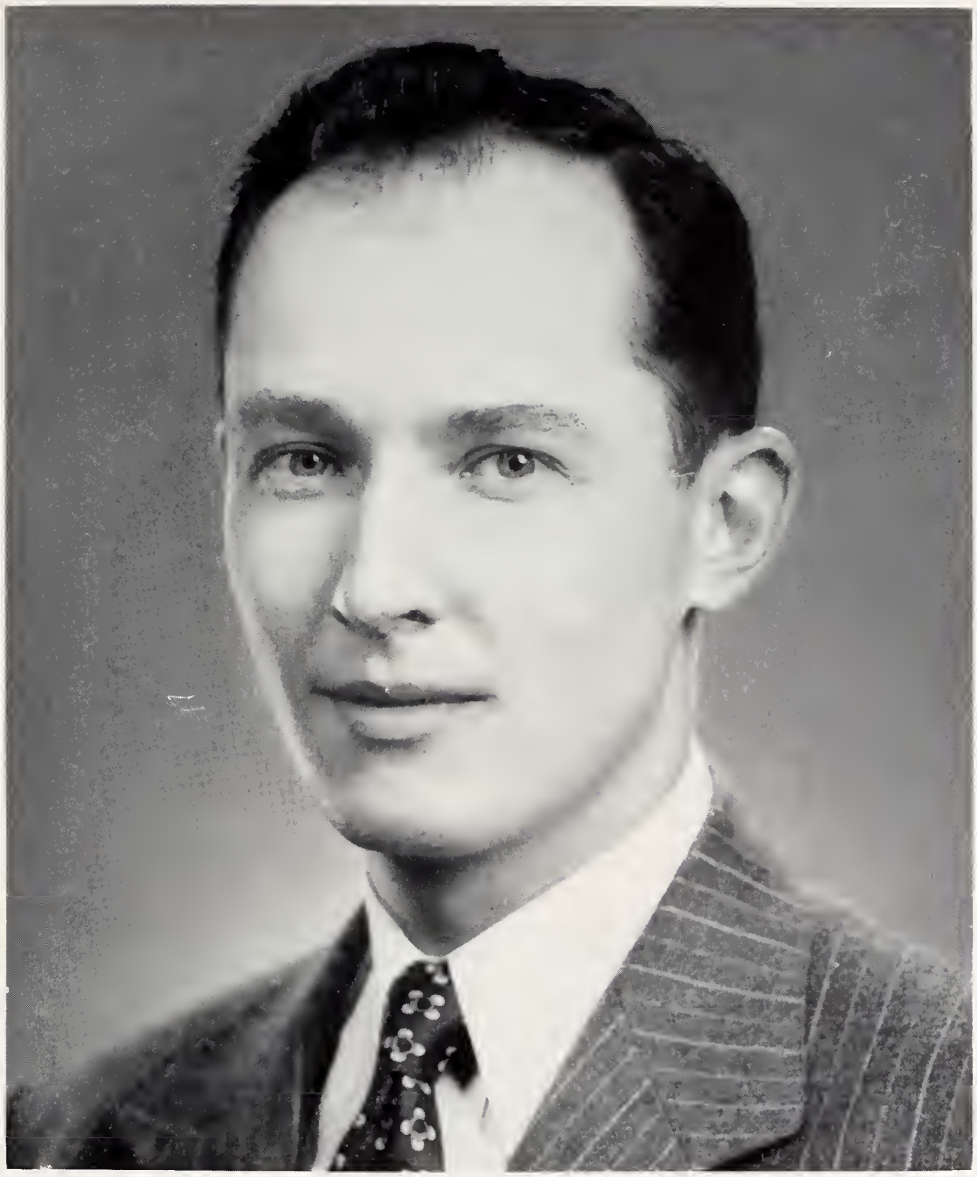
PRINCIPAL



MR. ROBERT PERZ

Here's a man you'll all have to meet. He came to SHS five years ago as assistant principal; for the past two years he has been our principal.

The burden of administering to the needs of fourteen hundred students is not an easy one. Although everyone knows how busy he is, few know how varied his duties are. Mr. Perz has shown diplomacy in handling difficult situations. His fairness, even disposition, and democratic ideals are well known and appreciated by students and faculty alike.

Springfield High School has long had a reputation for excellent scholastic work, good student conduct, and good administration. Both Mr. Perz and the instructors are anxious to maintain this fine record in the field of education.

ASSISTANT PRINCIPAL

MR. LEDERER

Eastern State College, B. of Ed.; Northwestern University, M.A.; University of Colorado; The American University.

I'll never forget the time I was sent to Mr. Lederer. "Will you please take this yellow slip and go to room 2 immediately?" And so, slowly and hesitantly, I made the too short trip to the office. I was feeling hopelessly lost when I took a chair inside the office. In front of me was a big desk with Mr. Lederer sitting behind it. My ears burned, my temperature rose, the halls echoed my thoughts. Oh, why did I throw that spitball!

Then he looked up from his work and started talking. It seemed that in a matter of seconds my terror faded. I liked him! Say, he wasn't bad at all.

The task of discipline is a difficult one, but Mr. Lederer has made countless friends among the students and parents. His pleasant methods in discipline and accessibility at all times has contributed to this popularity.

Although the January Senior class seemed, because of its small size, to fade away unnoticed, its achievements at SHS surely will not be forgotten.

We still remember its outstanding class play "Papa Is All," which was so well done that it was repeated by the request of the Theatre Guild in their auditorium. The Prom, too, many will remember, for it was simply magnificent.

More than this, SHS can point to the January graduates as they step out into a bigger world and proudly reflect on their capable leadership and honorable academic achievements made in high school. The January class of 1953, with similar success in future responsibilities as here at SHS, will certainly make good.

JUNE SENIORS

Hats off to the June Seniors! They have completed a four year job and at last are being promoted to work in the big wide world. Yes, they made it and let's hope their attempt at later life will be as successful as that which they made here at Springfield High School.

These last eight semesters they have participated actively in every way so as to boost the high standing of SHS. And their attempt has been successful for, without them, the rest of the classes are going to have to fill in large numbers of vacant spots that will be left.

No one will forget the class of '53 representatives in football, basketball, track, and baseball. For four years they kept the crowds cheering with excitement.

Also, their contribution to the National Honor Society cannot be overlooked.

All in all, we can't see how they could possibly fail in anything. But we'll have our fingers crossed and give a hearty "good luck" to the June Seniors anyway.

JUNIORS

To the class of 1954, Senior leadership will come easily. This year has shown that there are many outstanding individuals in the Junior class who both eagerly and efficiently have taken on responsibilities in Student Council, Athletics, Clubs, and other activities.

This sort of energetic co-operation does much to maintain the honorable traditions of SHS. Often Juniors have been directly responsible for improvements at SHS, making its name truly representative of a good school.

Next year is the big climax. Certainly these Juniors will ably fulfill all the Senior tasks of next year and come through successfully in their last year at SHS.

And what about the "middle" classmen? They stepped graciously from the shy Freshmen to the blooming young Sophomores of SHS! It has often been said that the Sophomore year is the dullest and least exciting of the whole four year period. But look how these 10's have disproven that fact. They have had as much vim, vigor, and vitality as the rest of the school combined.

Even in their young life, they realize that it takes team work to accomplish a job, and they certainly made a habit of thriving on it. A large number had the required 3.5 average for application in the four literary societies and many took advantage of it.

These kids didn't need a four leaf clover or a horseshoe for luck was with them from the start.

They may look back on their second year with glowing pride for these Sophomores have done a marvelous job.

Out of the depths of confusion of the initial weeks at SHS has come the ready and rowdy Freshmen class. They have weathered the usual barrage of wrong room numbers and fifty-cent elevator tickets and have built a stable foundation of knowledge. Upon this foundation the graduating class of 1956 promises to develop scholastically, athletically, and socially as well.

The tempo of activities at SHS will not slacken with such an able class. No one has yelled louder, cheered longer, nor competed better in high school goings-on than the Freshmen. The years at SHS will certainly go fast as this Freshmen class goes through high school. And their stay here is sure to be successful.

A tough East St. Louis team powerhoused a 36-0 win over the Senators in the first game of the season on Sept. 12. The Flyers scored in all periods. SHS's only scoring chance came in the third quarter when Keith Schroeder caught Jerry Johnson with a pass, the play covering 67 yards. An offside penalty nullified the attempted touchdown and a fumble recovered by East St. Louis stopped the Senators for a shutout.

The Senators played their initial city league game against the Feitshans Flyers on Sept. 19. The tight 6-3-2 defense of SHS kept the Flyers scoreless till early in the third quarter when Knox raced 67 yards for the only touchdown of the game.

Although SHS led in first downs with 13 to the Feitshans 10, numerous fumbles prevented both teams from additional scoring throughout the game.

On Sept. 26 the Senators encountered the Cathedral Cyclones at Memorial stadium and ended up on the short end of a 26-13 score. Al Koeller sparked our Senators with a 62 yard drive for our first tally of the evening. Al also added the extra point. The Senators second score came in the fourth period on a quarterback sneak by Keith Schroeder.

Springfield's first win came Oct. 3 over the Lanphier Lions. Reserve back Dick Coe led the SHS drive with three touchdowns while Capt. Al Koeller tallied twice, rounding out the Springfield scoring. Superb defense, as well as offense, kept the Lions to one touchdown with the final score 32-7.

In a Big Twelve tilt here, Oct. 11, we lost to Decatur 47-27. Keith Schroeder sparked the Senators with a total of 162 yards for his evening's work and two touchdowns. Tom Hughes and Jim Patton also scored for the Red and Black.

On Oct. 18, Peoria Central powerhoused over SHS by the score of 37-9. A 76 yard aerial play from Keith Schroeder to Bob Kennedy in the last period gave us our only touchdown. Virgil Cummings kicked the extra point. In the second quarter with Peoria in possession the ball went into the end zone on a fourth down and gave us a safety. Les Skeels broke his arm in this contest.

The Senators returned to winning form when they scored their first Big Twelve victory of the season against Bloomington at Memorial Stadium Oct. 24. Jim Patton intercepted a pass on the Bloomington 48 yard line with twenty-two seconds remaining in the first half and raced all the way for the first TD. In the fourth quarter Jerry Johnson blocked a punt, scooped it up and scrambled the remaining 30 yards for the second tally. Three minutes later, Keith Schroeder grabbed a punt on the SHS 45, went 10 yards before lateraling to Don Post, who raced the last 45 yards for the final touchdown. The final score ended with SHS on top 18-6.

Lincoln's Woodlawn field was the sight of the Railsplitters' 12-7 defeat over Springfield in a Big Twelve game on Oct. 31. Al Koeller scored the only Springfield touchdown early in the first quarter. Gordon Post kicked the extra point. Throughout the remainder of the game tight defense by the Railsplitters kept the Senators from passing the 26 yard line of the host club.

We were edged in our season's finale by Mattoon in another Big Twelve battle at Memorial Field by the score of 20-14. Schroeder got the Senators rolling when he scored on a 12 yard jaunt midway in the second period. Then in the third quarter Ward Curran recovered a fumble for the Senators and scored a safety. In the final period Schroeder hit Gordon Post with a 12 yard aerial for the final TD. Both trys for extra points were unsuccessful.

The season's record was 2 wins and 7 defeats with Keith Schroeder and Jerry Jarboe being selected for the city football squad.

SOLONS TAKE CITY LAURELS

Coach Jack Turner turned out a creditable track squad this season despite the heavy loss that graduation took the year before.

With only eight lettermen on hand Turner's club made a good showing in every meet to date.

The Track year started with the sophomores winning the inter-class meet. Then the Senators won a duel meet from Taylorville 77-36 with Darrell Iverson and Craig Davis capturing two events each.

Next on the schedule was the Decatur Open, where the Solons finished second to the host school. Davis won the 880, and the relay team won the 880 yard relay.

Then the Solons went to Pana where they finished third. Iverson walked off with the 100 yard dash with Lincoln of East St. Louis winning the meet.

We were fourth in the Normal relays on April 25.

In the city track meet the Solons captured the field events with 30 points. Lanphier was second

with 19. In the running events we captured five first places to post a final total of 78 points. The Lions had 68 points.

Les Skeels won the broad jump with a leap of 19 ft. 4 in., and Bob Marriott captured the pole vault, clearing the 9 ft. 6 in. mark. Cline set a new meet record in the 440 as he churned the distance in 54.4. Davis was the only double winner in the running events.

The Solons are scheduled for the District meet May 9th at Taylorville and the winners there earn the right to advance to the State finals at Champaign.

Throughout the season the track members showed fine sportsmanship and were a credit to the school.

The SHS cheering squad, with Sally Gates as head cheerleader, sparked the Senator teams through another successful year.

Somersaults, cartwheels, and other tumbling stunts were a specialty with the cheerleaders, and they introduced several new yells. In addition to leading cheers at the football and basketball games, the cheerleaders took part in many athletic activities and pep rallies.

GOLF

Coach Mark Peterman turned out one of the finest golf squads in the school's history this spring.

The Senators have won meets from Quincy, Taylorville, Lanphier and Cathedral. Their only loss to date is a return match with Quincy. They also finished eighth in the Quincy open.

Golf mainstays were Pete Beardsley, Cullen Patton, Hank Borg, Dick Ehlert, Rich Dixon, Frank Sparks and Dennis Conlon.

The Senators are entered in the district at Jacksonville where boys vie for the right to advance to the state finals at Champaign.

TENNIS

Our tennis squad was considerably stronger this year than last season, according to Coach Bob Rutledge.

The transfer of Junior Dave Waltz gave us a strong number 2 man. Senior Don Cooke was the center of the strength as shown by his victory in the district and his trip to the State match in Champaign.

Seniors Dan Cleary, Gary Short, Bob Lenz, and Tom Graffmiller plus Junior Lynn Hornbrook rounded out the squad.

The Solons posted victories over Havana, Decatur, and Bloomington, but were defeated by Danville, Peoria Central, and Pekin.

"When you are old and your hair is quite gray,
The Capitoline will hold memories both sad and gay."

Down through the ages woman has been known to change her mind quite often. This certainly proved to be true with your 1953 Capitoline staff, for in striving to bring to you the greatest book ever, we changed our minds two or three times, much to the disgust of Bob Marsh, Editor-in-Chief, and the only boy on the staff. However, the theme was finally chosen and we began to roll.

Remember the Capitoline assembly last October? Oh my, all the work that went into that, but it was worth all the time and effort as you responded by backing us with your subscriptions.

Up until Christmas each staff member worked independently, but came together for occasional staff meetings. Yes, Barbara was busy writing jingles, Ann began to collect snapshots of all descriptions, Joanne and Mary Lou drew sketches and more sketches, and

After the holidays everything seemed to happen at once. Bob became a man of three words—"Meet your deadline!" We tried and did — most of the time anyway.

We were determined to have the best looking and most thickly padded cover possible. Also, through the book you will find several changes and additions. The staff hopes that we have done the things you wanted and that you will be able to point with pride to this, your 1953 CAPITOLINE.

Adults seem to be noted for their peculiar habit of continually making unfavorable comments and digs on the "younger generation," forgetting that every one passes through the stage of being an adolescent before it is possible to enter the world of an adult. It is a stream that must be crossed. But that is enough from ye old philosopher, and back to reality. They say that for every rule, there is an exception. The Senior Capitoline staff wishes to proclaim here and now that this club is the exception. It is our opinion that the Junior Capitoline staff deserves a round of applause from the whole student body for the excellent 1952-53 Student Directory.

During the year the staff not only compiled data and solicited ads for the Directory, but worked with the Business Manager of the Capitoline and her assistant in obtaining acknowledgments for the Capitoline.

Someone once said, "Youth is the bloom of life." This staff was as fresh as a mountain daisy. They dreamed up a project which can be carried on during the year after the Directory has been published. How would you like to have an SHS Handbook on the first day of next semester which would contain a wealth of helpful information on SHS in general; its courses, classes, rules, and regulations?

Good luck for a successful Capitoline in '54.

The French Club is a comparatively new organization in SHS, but youth means little. Requirements for membership are very few, in fact there is only one—at least one semester of French.

The general objectives are to stimulate an interest in and to broaden views concerning France, its students, and customs.

Activity highlights of the year were: a dinner held at the Mill, a French movie based on "Les Miserables" by Victor Hugo, and a report on modern France given by Miss Joan Glenning, a Fulbright scholarship winner who recently returned from a year of study in France.

"The Student Council offers a chance to express
All your gripes and opinions in matter of distress."

As it would obviously be impossible for the whole student body to sensibly discuss student problems and work out policies, a student council is elected by the student body. The Freshmen elect four representatives, the Sophomores five, the Juniors six, and the Seniors seven. The officers are elected by the student body in a separate election. The council meets regularly every Wednesday at 8:00 A.M. in room 117, with extra called meetings if necessary.

Aside from carrying on the usual projects, Freshman Day, Howdy Tag Day, sponsorship of the after-basketball-game dances,

work in the Concession stands during the football season, and Jean Day, the Council worked for more pep assemblies, called a student discussion assembly after the coin tossing incident, sponsored the May Festival and worked on numerous other projects.

Because of student demand, two new things were introduced into Springfield High—a school paper—the Springfield Senator, and a 1953 Homecoming Dance. Marilyn Smith and Don Post were the reigning royalty.

For the past few years the council has been climbing up a steep hill, but it needs a push in the form of all-out student support before it can reach the top.

"They are the gals with lots on the ball,
Good fortune is beckoning to one and all."

The Les Bas Bleus Literary Society once more contributed to the all around student life at SHS. This club is open to girls of sophomore standing whose grade average is at least 3.5. It strives to promote friendship and co-operation among the girls, and to develop both interests and a sense of responsibility. With their adviser, Miss Wilson, the girls made real progress toward the achievement of these aims.

On the social side the Les Bas once again sponsored the annual spring dance, The Les Bas Spring Fling. They also included a Spring Fashion Show in their program of activity, as well as the Mother's Tea.

This year the organization upheld the precedent established in previous years by contributions to various charities. They also gave a Book of the Month Club subscription to the Library. Thus the Les Bas completed their well-rounded program during the past year.

A Junior Les Bas must earn a total of 100 points by performing such duties as serving on committees and participating in and attending meetings. The applicants for membership in Junior Les Bas must also have a 3.5 grade average and be at least a sophomore.

Seemed like every time you went to the library after school, some Junior Les Bas committee was having a meeting; perhaps discussing plans for the Mother's Tea, a style show, a party for the Senior Les Bas, a party for underprivileged children, or the making of scrapbooks for the Children's hospital.

"Throw away your shoes and get some fancy socks,
The Philos have planned a dance that always is tops."

Just between you and me, and all the other Capitoline subscribers, I think the Philos are a mite partial to tea—must be the English in them. Whether they are or not is really quite irrelevant, but the fact remains that they were tea hostesses twice this year; once at the Mothers' Tea and again at the Faculty Tea.

Around the end of November and the first of December all interest was focused on the feet. Not so much the anatomy of them, but rather what goes over them. Everyone wanted to find a pair of wild and wooly socks or strained a brain cell to cleverly

decorate a pair. The object was the Philo Sock Hop, a time when you throw open the windows and relax.

June brought another dance, however, and the theme was far different. The Alumnae Graduation Dance is the first social event the June Graduates (who have been so for about an hour) attend as alumnae and the last high school dance many ever attend; sort of a final curtain on the first act of a closing night play.

Philos are not merely tea givers and dance butterflies, but a service club too. At Christmas time the club prepared needed goodwill baskets. They also made scrap books to be used in various places as part of occupational therapy treatment.

Join the Navy and see the world,
Be a Delphie and charm the girls.

Another year has slipped away, but not from under the Delphics' noses. Though the strict discipline concerning pledge week did shake the ranks to a certain extent, they were able to steady themselves and continue the year's activities.

In order that they might prove their boast of being a "progressive club," something new was introduced into the Springfield High Social calendar, a come-as-you-are dance in the high school gyms after the Bloomington football game. Clascenna Harvey and combo provided some mighty danceable music.

FIRST ROW: Bob Farber, Larry Chrietzberg, Gary Logan, John Lowery, Don Wands, Dial Brown, Sonny Novack, Dale Werner, John Anderson, Ron Gerber, Sam Vass.

In our "spiel" about the new, let us not forget the Annual Delphic affairs. Remember March 13, the Elks Club ball room, Charlie Rogers Orchestra, and a pretty queen. Does this strike a bell somewhere? Well, of course, who could forget the Delphic Shamrock Shuffle at which Jo Anne Johnson reigned as Miss Shamrock of 1953.

The tenth Delphic Amateur Show was cancelled as an assembly, but was given instead as the afternoon show of the May Festival.

As usual, the Wrangler-Delphic mock feud flourished, but the two clubs were able to work well together as members of the Concession Stand Council during the football season.

WRANGLERS

TOP ROW: Virgil Cummings, Dick Brower, Stan Stowers, Hank Borg, John Gardner, Harry Alton, John Dennis, Melvin Prentice, Bill German, Bob Steger, Bob Bast, Don Post, John McDaniels.

"The tiny gold pin with the 'W' poised high
Is a mark of distinction for which many girls vie."

Although stern administrative discipline concerning pledging activities was a weakening blow to the club, the Wranglers did begin the year in a traditional blazing bonfire manner. There were snake dances and cheers galore. Everyone was there and afterwards the whole mob marched over to the Sugar Bowl and took the place by storm. The Bonfire was truly a traffic stopper.

Then later in October, the football team elected Libby Cline to be Queen of the Wrangler Gridiron Hobble.

Spring brings soft breezes, fresh clean smell of the earth, budding flowers, warm weather, house-cleaning time, the yen to write romantic poetry, fishing fever, baseball, graduation anxiety, and the beard growing contest of the Wrangler Barn Dance. It was a challenge to all the males of Springfield High School and a bit of a one to the girls too — kind of rough going for two weeks prior to the dance.

Good luck next year and remember modern psychology — consult the book and SPARE THE ROD.

It matters not if you be short or tall,
The G.A.A. has a program for all.

The Girls' Athletic Association has been on the ball all year and we mean that, quite literally. At least it would appear to be so as the main athletic activities of the year have been volleyball, basketball, and bowling—all ball games.

Still never let it be said nor believed that these gals are strictly brawn. No sir! They planned and carried out a very enjoyable social program. Just to prove the point, listen to a list of some points of the past year's activity: They made time for a "get ac-

quainted" picnic for new and old members, a formal initiation of new members, a November hayrack ride, several other parties, and various G.A.A. playdays.

A club always needs money and people always like candy, especially home-made fudge. Put the two together and what do you get? You guessed it! The Chief money-making projects this year were candy sales. G.A.A. also earned a little money by working as part of the Concession Stand Council during the football season.

All in all it has obviously been a busy year.

CAFETERIA STAFF

LEFT TO RIGHT: Alice Powers, Assistant Director; Marie Wysk, Cooks Helper; Edna Mendenhall, Cake Baker; Lorine Cass, Second Cook; Grace Danley, Cooks Helper; Agnes Huges, Head Cook; Florence Davenport, Head Salad Maker; Lucille Woodrum, Assistant Salad Maker; Laura Watke, Head Sandwich Maker; Katherine Newman, Vegetable Cook; Hazel Lounsberry, Clerk; Mary Erwin, Assistant Pastry Cook; Loretta Croutcher, Snack Bar; Katherine Winhold, Assistant Vegetable Cook; Anne Smith, Head Pastry Cook; Susan Franz, Assistant Sandwich Cook; Chloe Steele, Assistant Pastry Cook; Rita Devlin, Director.

CAFETERIA PERSONNEL

This year we are trying something new. Have you often wondered who that lady was that gave you your plate lunch or who made that cheese sandwich just for you? Well, now for the first time you can find out who these fine workers are.

The Cafeteria Personnel has a tremendous task feeding balanced meals to a large body of students on two short lunch shifts, so one can see that they must be very swift in their work. At the back of the cafeteria is a counter where candy, soda pop, and ice cream are sold. Paper, pencils and other school supplies are also sold before school. It is only proper that we extend our heartiest "THANKS" to the Cafeteria Personnel for a job well done.

CAFETERIA COUNCIL

FRONT ROW: George Tinsley, Donald Dunkel, John Putman, Garry Lamkin, Jim Redmon, Barbara Withers, Wilbur Thorne, Miss Alice Powers.

SECOND ROW: Miss Rita Devlin, Marilyn Daniels, Carol Stites, Danute Kantautas, Jeanette Walkup, Sandra Collier, Thelma Finn, Jo June White, Shirley Barger, Kay Butchek.

BACK ROW: Douglas Henry, Charles Jones, Birdeaux Mottaz, Joe Britz, Robert Marsh, Dawson Barnes, Hambelton Saxer, Dick Jameson, Norman Edwards, Bernard Burnett, Virgil Cummings, John Benedict, Tom Jamison, Robert Wilson, Eddie Vespa, Vernon Vespa, Donald Post, Gordon Post, Henry Borg.

"They punch the cash register and scrape the plates,
Their efficient work makes the Cafeteria first rate."

Two of the objectives of the Cafeteria Council are to promote efficiency of the Cafeteria student workers and to learn how to work with and for other people. However, the council has other projects besides seeing that you and I "feed our faces" every day. Each year the club packs a Thanksgiving basket for a needy famliy. At several of the dances the council served punch and sandwiches for a nominal fee, saving money, time, and effort for the economy wise and making the dance a little different for the rest of us. Purely social activities included Christmas and Easter breakfasts, and an October wiener roast and a May picnic.

"Someday a home they'll fill with love and cheer
And of course with children so healthy and dear."

Though this year has been a rather inactive one, as years go, the organization functioned according to free time of its members, which made a happy arrangement for all.

A potluck dinner for club members and their families served the dual purpose of a "get acquainted" party and formal installation of officers.

Later the organization sponsored a playnight in the gym which was opened to the whole student body. This was a new thing in SHS; perhaps it will become an annual affair.

To create a center of activity for, and to develop leadership in rural "thinking boys" is the objective of the Future Farmers of America. A glance at the record will prove this true for the "ag boys" of SHS. They hold first place awards for the poultry and grain judging teams of section fourteen, the third place award in the F.F.A. public speaking contest of section fourteen, and the first place award for the best demonstration team in a state-wide contest. This team went on to place fifth in their class of thirty-two teams in the national contest.

Our chapter was also awarded first place plaques for having the best garden and poultry displays at the vocational fair. Still the boys found time to enter showings at various agricultural fairs and to participate in the judging of many other teams.

"Their interests lie in jobs in office and store,
They may even be salesmen who'll come to your door."

The Distributive Education Club is really worthwhile for its members. The organization has three general objectives. The club should help provide members with a broader outlook on business occupations through actual supervised work experience. It provides an opportunity for social meetings and educational field trips. Third and mosts important, it develops healthy job attitudes. These purposes lay a firm foundation for a club.

The outstanding program of the D.E. Club is an employer-employee banquet (all members participate in a program of supervised work combined with school training) at which educational materials, work books, and shadow box displays are shown.

If you have trouble getting to the right place on the right day at the right time, you need a calendar printed by the Typography Club. The club also issues blotters and, believe it or not, blot ink too. The real purpose of the club is not to print calendars or to issue novelty blotters, but rather to create a time and a place where boys may work in projects of printing or bookbinding, when class time is inadequate.

The membership requirements are simple (to be explicit, there is only one)—a candidate for membership must be enrolled in some printing course offered in SHS.

The Typography club members do not spend all their time up to their ears in ink but hold routine meetings and support a club basketball team.

P.S. Did you know that they have seen themselves in print in 1953 and not by their own handicraft. The February 1953 issue of Hobbies carried an article on the Lincoln theme of the 1952-53 Typography Club calendar.

"They spend their hours in practice time,
A bull's eye make them quite sublime."

The Rifle Club is an organization of and for students interested in learning the fundamentals of shooting rifles and the proper safety rules to practice at all times with regard to fire arms.

Though the club is not too well known around school, nevertheless it is a very live organization. Activity during the year has included (aside from numerous practice sessions and periods of instructions) participation in the All City Rifle Match, various Postal Matches (each school shoots on its home-range; the scores are sent to an impartial judge who averages the scores and determines the winner), and in several shoulder to shoulder matches. The competing schools come together and hold an all day match.

Whether it may be used in hunting for pleasure in the woods or with purpose in Korea, mastery of the rifle is a handy little bit of know how.

"Drama and acting are their interests 'tis true,
But any job in the theater they do."

Not all become Helen Hayes or Lawrence Oliviers but they know now that there is much more to the theater than just acting. Perhaps the most interesting sessions of the year were those devoted to learning the art of successfully applying make-up. If you want to look older, younger, sweet, sirenish, or motherly, call on a Radio-Drama Club member.

Other activities during the year included a Christmas party and a gab fest (wonder what they talked about?) The planning of an assembly that was cancelled (after the coin tossing incident) was carried out in the form of an evening activity night in May, and participation in the Festival Carnival with all the other organizations in SHS.

ORCHESTRA

During sixth period many students were able to hear the SHS Concert Orchestra practicing for a coming performance, under the direction of Miss Gwen Campbell. The orchestra has had a busy schedule this year, including two main concerts. The group also was represented at the All-State Orchestra in Champaign, the Big Twelve Music Festival in Peoria, and the City Music Festival here in Springfield. In addition to this, certain members of the orchestra, who comprise the Little Symphony, have given a few concerts for various organizations.

But the members of the orchestra do not devote all their time to the study of music. In co-operation with their council, they have staged a number of parties, in addition to the successful dance, the "Lover's Leap." Thus good musicianship and an appreciation for music are developed, while having occasional fun.

BAND

The SHS band has lived up to the reputation that has been set in previous years. In order to maintain this reputation, the band, under the direction of Mr. Patrick, practices daily in Room 33.

This organization has made a total of twenty-five public appearances during the school year. Dressed in their colorful uniforms, the band presented their annual concert. Besides this, the band played for the Annual Governor's Christmas Party at the Armory. Following a yearly custom, the band also performed at the Jacksonville State Hospital before approximately 2000 patients.

But the majority of the performances of the band have been before the students themselves. These include the football and the basketball games, as well as a large number of assemblies. There remains no doubt that the boys in red and black have inspired the team and the students to greater honors.

CHOIRS

A CAPPELLA CHOIR

The SHS a cappella choir, under the direction of Miss Margaret Hausen, has completed another successful season. The choir is largely composed of members who have gained their experience in the preparatory choirs. These include Girls' Choir and Junior Choir. This organziation works to develop the voice and poise of the member, as well as his appreciation for music.

The program this past season included a large number of varied performances, some being for organizations of the city and state. The a cappella, in combination with the Junior and Girls' Choirs, presented two formal concerts. In addition to this, the choir sang for our Christmas assembly. They also performed for the Jaycees and for a division of the Illinois Education Association.

A highlight of the season was the choir's participation in the Big Twelve Music Festival held on the Bradley campus in Peoria. Choirs from twelve schools rehearsed and gave a concert under the direction of Dr. Harry Wilson.

THE PREPARATORY ORCHESTRA

The Prep orchestra is composed of those students who wish to prepare themselves further before entering the advanced orchestra. Under the direction of Miss Gwendolyn Campbell, the group works to train themselves for the orchestra by improving their musical ability and by gaining enough orchestra experience to enable them to move on to the more advanced group.

The group met the fifth period every other day to practice. In addition to this practice session, they wrote a thousand word theme on the life of a composer. This included quite a bit of research, besides the actual writing.

The group also aided the advanced orchestra in their ticket campaigns. Each member of the Prep orchestra was given tickets to sell for the winter and the spring concerts, as well as the annual dance, the "Lover's Leap."

For the semester each member receives one-half the credit that is received in the advanced orchestra.

SINGING SEVEN

Donna Downey, Joanne DeHollander, Katherine Taapken, Shirley Hertel, Dolores Hawkins, Susan Howarth, Wanda Parkes

"Seven little redbirds, with voices so divine,
SHS will miss them, their harmony she'll pine."

The 1953-54 Singing Seven, SHS's busiest public relations group, was composed of Joanne DeHollander, Donna Downey, Dolores Hawkins, Shirley Hertel, Sue Howarth, Wanda Parkes, and Kathy Taapken. The Seven is under the direction of Miss Margaret Hausen.

The girls are chosen for their interest and ability in music. According to Miss Hausen, the triple objective of the ensemble is to develop poise and personality, to give individual stage experience, and to increase technical knowledge.

The "Seven" has made a number of appearances before various types of organizations this past season. Some of the outstanding programs were appearances at Palmer Sanitarium and for the P.T.A. on Career Night. They also have performed before a meeting of all chapters of the P.E.O. on Founder's Day and in some of the churches of the city. All these services were given freely.

In performing for various audiences all over the city and in nearby communities, the group built a large and varied repertoire as the musical selections must fit the event, and no two programs are ever alike.

LIBRARY ASSISTANTS

BACK ROW: Miss Zimmermann, Richard Muerle, Jerry Johnson, Phil Peterson, Jack Webster, Jack Lutz, Ed Bopp, Barbara Pulliam.

MIDDLE ROW: Betty Ziegler, Lorrie Davison, Gene Gerber, Joellen McFarland, Joan Staab, Nancy Adams, Pat Doyle, Donna Hosford.

FRONT ROW: Dick Schofield, Joyce Smith, Marlene Grieme, Nancy Chambers, Patsy Waters, Ginnie Ann Hubbard, Catherine Davis, Dorothy Conger, Joe White.

These students assisted during first and second semesters.

Anytime during the six periods of the school day you can find student library assistants performing the many different tasks that deal with good library service. In order for more than 1400 students and 70 instructors to find references and recreational material in our library that suits their needs and desires, much "behind the scenes" activity goes on constantly.

Our student assistants do many of these important tasks such as: processing new books for circulation, checking in and shelving books, filing library permits, cataloging books, taking care of the mail and bulletin boards and many of the numerous details that are a part of every library.

Although the assistants give up a study period to give this service to SHS, they enjoy every bit of the time spent in the library helping "Miss Z." Think twice when you see these library assistants and realize that they are an important part of our good library service.

"You must study as well as play,
To wear the golden torch in May."

At the end of the four years, there comes to those students who have been faithful to their books, a reward aside from that of knowledge. Selection is made from the Senior class for membership in the National Honor Society. Only those students who have kept a scholastic average of "B" or better for a full four years, have at least four "A's" and two "B's" in any major subject, possess high qualities of character and leadership and have rendered adequate school service are eligible for membership. Not more than fifteen percent of the class may be chosen.

A tentative list of eligible students is compiled by the Scholarship committee composed of Miss Clapper, Miss Hayes, Miss Steinmiller and headed by Miss Woods. However, the faculty must fully approve of every candidate before a final list may be completed.

"Papa had a temper and beard so grey and long,
His family was afraid of him they knew his will was strong."

PAPA IS ALL

Papa and his family were Mennonites. This created a simple, strict life, but Papa, with his instinct to believe the worst at all times, made life almost unbearable for the family, particularly his daughter who was young, pretty, and in love. As the story progressed, his children grew to hate him and his wife to fear him. Only the death of Papa could rid the family of their curse. Papa and his son leave home to go to town—Papa never returns—the son swears it was an automobile accident, that he jumped just in time. The family cannot believe that Papa is all (dead), but soon lose their grief in the joys of a happy, normal life that includes a telephone for Mama and marriage for the daughter.

Papa returns not dead after all, but very much alive and for a moment threatens to ruin the little real happiness his family has ever known, but the law comes and arrests him for a crime. This time Papa is "all."

MEET ME IN ST. LOUIS

"Mr. Smith had such troubles with his lovely daughters three,
They wouldn't leave St. Louis tho' he begged on bended knee."

Mr. Smith presented his family with what he considered to be a marvelous surprise—he had been promoted to a better position and they must move to New York City. The surprise was more than a surprise, it was a shock. His family rebelled—he could go to New York—they preferred St. Louis anyway. It was World Fair time and who wanted to go to New York when the Fair was in St. Louis. The action of the comedy, which was a Broadway hit and later a Hollywood movie, centers around the dual plot of the three sisters to keep the family in St. Louis and to fix their brother's love life.

The play is a little different from any attempted in recent years since it included not only dialogue but costumes (of the early 1900's), music, and dancing as well.

The large audience at each performance showed their approval of the cast by numerous curtain calls.
